

Hat and Feet

Fountains of Wayne

I'm just a hat and feet
That's all that's left of me
A spot on the sidewalk
A mark on the street
I'm just a hat and feet
I'm just a hat and feet

You dropped a bomb on me
I didn't even see
Like a falling piano
>From out of a window
Now I'm just a hat and feet
I'm just a hat and feet

I'm just a sitting duck
That ran out of luck
I'm the unhappy guy
That didn't look up high
I started running when I saw it coming
It got faster and louder til I took a powder

Now
I'm just a hat and feet
That's what become of me
Flat on the sidewalk
Stuck to the street
I'm just a hat and feet
I'm just a hat and feet
