Laser Show

Fountains of Wayne

Oh yeah we're going to the laser show Oh yeah we're going to the laser show Come on baby now don't you know We're going down to the laser show

They come from Bridgeport, Westport, Darien Down to the Hayden Planetarium We're gonna space out to our favorite tunes We're going straight to the dark side of the moon

Oh yeah we're going to the laser show Oh yeah we're going to the laser show Come on baby now don't you know We're going down to the laser show

We're gonna sit back, relax, watch the stars James and Jason, Kirk and Lars We're gonna make our way across the galaxy And then we'll head home back on the L.I.E.
