## **Radiation Vibe**

## **Fountains of Wayne**

Are you alone now Did you lose the monkey He gave you backaches And now you slouch

He didn't mean it He's just a dumb ape Reading Playboy On your couch

And now it's time to say
What I forgot to say
Baby,baby,baby
Come on, what's wrong?
It's a radiation vibe
I'm groovin on
Don't it make you want to get some sun?
Shine on, shine on

I went to Pittsburgh And joined a pro team Talk about a bad dream I broke a knee

But I can still croon And make the girls swoon Isn't that the way life's Supposed to be?

But now it's time to say What I forgot to say

Baby, baby, baby
Come on, what's wrong?
It's a radiation vibe
I'm groovin on
Don't it make you want to get some sun?
Shine on, shine on, shine on
Shine on, shine on

And now it's time to say
What I forgot to say
Baby, baby, baby
Come on, what's wrong?
It's a radiation vibe
I'm groovin'
on
Don't it make you want to get some sun?
Shine on, shine on

Baby, baby, baby
Come on, what's wrong?
It's a radiation vibe
I'm groovin on
Don't it make you want to get some sun?
Shine on, shine on, shine on
Shine on, shine on

Shine on, shine on, shine on
