

## Seatbacks and Traytables

Fountains of Wayne

Seatbacks and traytables up  
Stow your newspapers and cups  
We're about to touch down  
Midwestern town through the haze  
Customs a massive expanse  
And I'm digging into my pants  
Is this Oklahoma  
I remember this place

Trade one town for another  
Delayed  
Now why did we bother  
An X on the calendar square  
New city, same stuff  
Seatbacks and traytables up  
Seatbacks and traytables up

Seatbacks and traytables please  
Suddenly I can't feel my knees  
Second-run movies  
In-flight shopping magazines  
Wheezing the air up there  
Got me a backache somewhere  
Is that Santa Barbara II think I've  
I been there

Trade one town for another  
Delayed now why did we bother  
An X on the calendar square  
New city, same stuff
