

## Careless Lover

Four Letter Lie

The lights go out  
Life here is non-existent  
I'm only killing the hours  
An attempt to turn it around

I feel you catching up with me yeah  
I say, I say it's time to finish what we started

Everything I promised I'd be  
I'm afraid I'm not, I'm just not  
I'm a monster (Am I?)  
Who's finally taking control of his life

The struggle never ends  
There's no pain with sacrifice  
Tourniquet covers the eyes  
Identify the victim

I feel you catching up with me yeah  
I say, I say it's time to finish what we started

Everything I promised I'd be  
I'm afraid I'm not, I'm just not  
I'm a monster (Am I?)  
Who's finally taking control of his life

Such a careless lover  
I put my best foot forward  
Such a careless lover  
I put my best foot forward  
So what good is a life without you?  
What good is a life without you?  
Such a careless lover only sees her reflection

I'm just not  
I'm just not

This memory will haunt me  
And nothing keeps you satisfied  
The thought of me inside of you  
Has kept you up at night
