

Violent

Four Star Mary

The strangest things
I've always known
It slays me everytime
Darkened fields
Have overgrown
you want to lay me out?
Tie me down?
Tie me
our love
Covered in my blood
Is so violent
shake this scene
Another one
It plays me everytime
We're not that green
We're overdone
you want to lay me out?
Tie me down?
Tie me
our love
Covered in my blood
Is so violent
