

# It Must Really Suck to Be Four Year Strong Right Now

Four Year Strong

I'm a mess, such a wreck, don't forget about it.  
I drag myself through the dirt just to feel a little closer to  
the ground,  
Because I've always had my head up in the clouds.  
Take a second and look down,  
I've got my name on a string,  
Tangled up in lights, despite the fact that they are working.  
I live my life on the line to find a way to be unforgettable.

Don't fix it if it hasn't broken yet!  
Don't regret it if it hasn't happened yet!  
So let's GO! A tiny spark to set it off!  
And EXPLODE! Ignite the dark, illuminate the unknown,  
But since your heads in the clouds, the best advice I found is  
don't look down.

Face the facts! You're a betting man and the deck is stacked  
Against you all the time,  
Since your life is just a failure by design.  
Do you feel like you're better without it?  
Cause it looks like you're nothing without it.

Don't fix it if it hasn't broken yet!  
Don't regret it if it hasn't happened yet!  
So let's GO! A tiny spark to set it off!  
And EXPLODE! Ignite the dark, illuminate the unknown,  
But since your heads in the clouds, the best advice I found is  
don't look down.

Don't regret it if it hasn't happened yet!  
So let's GO! A tiny spark to set it off!  
And EXPLODE! Ignite the dark, illuminate the unknown,  
But since your heads in the clouds, the best advice I found is  
don't look down.

Well it's the best advice I've found...  
DON'T LOOK DOWN!
