Four Year Strong

Look around your world pretty baby Is it everything you hoped it'd be The wrong guy, the wrong situation The right time to roll to me

Look into your heart pretty baby,
Is it aching with some nameless need.
Is there something wrong and you cant put your finger on it
Right then, roll to me

And I don't think I have ever seen a soul so in despair So if you want to talk the night through Guess who will be there?

So don't try to deny it pretty baby, You've been down so long you can hardly see When the engines stalled and it wont stop raining Its the right time to roll to me

Look around your world pretty baby Is it everything you hoped it'd be The wrong guy, the wrong situation The right time to roll to me
