

# Wicked Love

Foxes

Screaming all night  
Rip me right from paradise  
Big words, small lies  
Out to get me every time

Lost in your heartbeat, body moving on mine  
Caught in the madness, doubt the feeling, desire  
Cause I know that you're trouble, and I know that it ain't right  
But I want you, and I can't get enough

Of your wicked love, wicked love, wicked love, wicked love  
Hurts when I hold your  
Wicked love, wicked love, wicked love, wicked love  
But it's worse when it's over

You're no good for me  
This ain't how it oughta be  
But you're like honey  
I get stuck when you get sweet

Lost in your heartbeat, body moving on mine  
Caught in the madness, doubt the feeling, desire  
Cause I know that you're trouble, and I know that it ain't right  
But I want you, and I can't get enough

Of your wicked love, wicked love, wicked love, wicked love  
Hurts when I hold your  
Wicked love, wicked love, wicked love, wicked love  
But it's worse when it's over

It's kind of criminal  
When you mess with my head  
But it turns me, turns me on  
Every time I see red

Of your wicked love, wicked love, wicked love, wicked love  
Hurts when I hold your  
Wicked love, wicked love, wicked love, wicked love  
But it's worse when it's over  
Wicked love, wicked love, wicked love, wicked love  
Hurts when I hold your  
Wicked love, wicked love, wicked love, wicked love  
But it's worse when it's over

Wicked love, wicked love, wicked love, wicked love  
Hurts when I hold your  
Wicked love, wicked love, wicked love, wicked love  
But it's worse when it's over
