In that Dolce Gabbana, I'm a hot little mama  
The number one stunna  
Slim, skin copper  
Like bare bra, I'd eat that gravy proper  
Got a money fetish

Range Rover, Gucci shoes  
First class, flatt class, Paris

Don't hate me cause I'm ballin'  
Lord take me if I'm fallin'  
I think I hear them callin' me  
Why they keep on callin' me?  
Don't hate me cause I'm ballin'  
Lord take me if I'm fallin'  
I think I hear them callin' me  
Why the keep on callin' me?

If I was to die, it be too many cowards alive  
Fox Brown, Bonnie minus the Clyde  
And today I'mma make this one promise to God  
Even if I go wood, I'mma keep it so hood  
And I got chills when I signed my deal  
And I shed tears when Biggie and Pac got killed  
It's only one other broad that really got skills  
She's alright, but she's not real  
Brown, I'm hot with no rehearsal time  
And I stays on tour like the circle line  
Ain't a bitch that could emulate my classic delivery  
I rep' New York like the Statue of Liberty  
Mentally I'm in my own zone holding my spot  
Fox, basically I'm the female Pac  
And it's like my life is a thesis  
Sometimes I feel like I'm talking Swedish  
Y'all niggas don't get it  
And, yeah I'm ballin', the streets keep callin'  
Lord take my soul I feel like I'm falling

Don't hate me cause I'm ballin'  
Lord take me if I'm fallin'  
I think I hear them callin' me  
Why the keep on callin' me?  
Don't hate me cause I'm ballin'  
Lord take me if I'm fallin'  
I think I hear them callin' me  
Why the keep on callin' me?

Before me there was many but none so hot  
They had no other choice but to run they spot  
Rock since 15 I was bound to ball  
Think it's time to run my resume down to y'all  
See, Touch Me...platinum  
Ain't no gold  
Total 500,000 sold  
Ill Nana 2.8  
The Firm another mil  
Then Chyna Doll came, it's pretty much the same  
And anything we rap about you see us do  
Now we stay in demand like PS2  
Lot of planes, lot of cars, a lot of chauffeurs  
Lot of Gucci, lot of Louis, lot of Prada loafers  
Couple dollars and with that I bought my Range  
Pretty and Red got a lot of ass off my name, man  
Yeah I'm balling the streets keep calling  
Lord take my soul...I feel like I'm falling  
(Don't hate us)
