

## Firm Biz

Foxy Brown

The six ease out CD laced digital readout  
No doubt cop glocks from the dread fuck the weedhouse  
Yo elegance hate females with no intelligence  
Embezzlement got big boys behind the metal fence

Merrill Lynch it's your life Crist alright  
Vince on ice sex chicks all types  
General status smoothness mixed with malice  
Trips to Dallas built a pool in my palace

Who want what from more moneys I want a cut  
Extortin' start from the corner step on us up  
Sixty inch screen laserdisc with the beam  
It's my life I'm holding the dice don't intervene

I send a team to smash out your whole plans  
No cold hands liquid or hunger to hold grands  
From state bids to large cats who lace cribs  
It's Firm Biz, y'all know what time it is

I'm talking Firm Biz to you baby  
(Firm, Firm Biz)  
Talking bout the Firm, that is  
(Firm, Firm Biz)  
I'm talking Firm Biz to you baby  
(Firm, Firm Biz)  
Talking bout the Firm, that is that is  
That is that is Firm Biz

Peep the stee, creepin with AZ  
B-12's crazy I ball with the firm's first lady  
I brawl with those who hate me  
Make me spray I all, hoping for the day I fall

Never that though Black 4 4's for fedz  
Like Donnie Brascoe so peep the cappos  
Who mack most splash it up with lactose  
Pretty thug style, I blow you out slug style

Bent in the Caddy Coupe me and daddy duke  
He schooled me on how to stand on my own two  
He said, "Son it's all kinda shit you gon' go through  
Either you gon' make it or you gon' fall too"

Now we headline tours remember me  
I told you that the world was yours, married to the Firm laws  
Esco bless flows y'all know me  
Laced in the Sony Firm be the hottest click to blow G

I'm talking Firm Biz to you baby  
(Firm, Firm Biz)  
Talking bout the Firm, that is  
(Firm, Firm Biz)  
I'm talking Firm Biz to you baby  
(Firm, Firm Biz)  
Talking bout the Firm, that is that is  
That is that is Firm Biz

My pops used to warn me never fall victim to the horny  
Keep the pussy tight stay that bitch  
If I'm gon' fuck lay that dick  
Tony get him for his chips and pray he push a six

Now I got game to make the thuggish niggas scream my name  
Hope the panties drop only if I cop  
The baby blue drop gotta keep my wrist iced  
The baddest bitch, yeah the sex is alright

Lace 'em all night going to the crib  
Jumping out the range in the iceberg tights  
Yeah, I know about the five and its one shut eye  
360 wave spinning cat thinkin' he Nas

From now 'til the day we shinin' keep my diamond  
Esco with me in the E reclining top dogs  
The illest duo since the Boss name was Hugo  
AZ Firm trio stay on the lee low

I'm talking Firm Biz to you baby  
(Firm, Firm Biz)  
Talking bout the Firm, that is  
(Firm, Firm Biz)
