Always knew there was something special about that boy, and the way he stuck his hand out the window and flew it like a n airplane

Yeah!
Wooh!
Kill everyone here
Ain't no survivors
Making it clear
Yeah, making it clear
With a ruff ruff
Ah, they won't do anything
I don't know about you but I feel I got all the power in hand
Wooh!

There's no line that I wouldn't cross
No divide between me and that
Sha la la la la la yeah
This opportunity
Lose hope.

God I wish I was black
Oh, I wish I was black
Oh, wish I was black
I wanna wanna be black.

Kill everyone here
Bang bang bang
Yeah, I ain't scared
With the ruff ruff
Ah, I ain't scared
I don't know about you but I feel I got all the power in hand.
