

# No Dont Shoot!!

Foxy Shazam

He said breath in  
Love is good to you  
I can't say the same for me though  
SMILE!  
Because love is good to you

I guess I'm not the only one  
Q-tip and holsterd guns  
Sesamy seeds find your buns, and I'll acuse you  
Because I've been so far  
And I've been so wide  
Now I'm seeing all these things I never knew existed

Dija bija dija bija dija boodah... dija booodah dija boojahhh  
No don't shoot, No don't shoot, No don't shoot... NO!!!

EEE OOOh aaaah. bigity bigity boooo

I'm not a crook, I'm not a crook, I'm not a crook I swear
