

Yes! Yes! Yes!

Foxy Shazam

I can't control my feet
Feel like movin'
Follow my lead
baby I'm groovin'
Two hands in the air and a table for two
Don't bet on me baby I'm losin'

Oh don't mind me that's impossible
I'll rip your heart out and I'll eat it whole
O la la la baby say it with me
Yes yes yes.

When I move you can tell by the way I walk
Things are going to work out well
Yes yes yes.
