

## Yes! Yes! Yes!

Foxy Shazam

I can't control my feet  
Feel like movin'  
Follow my lead  
baby I'm groovin'  
Two hands in the air and a table for two  
Don't bet on me baby I'm losin'

Oh don't mind me that's impossible  
I'll rip your heart out and I'll eat it whole  
O la la la baby say it with me  
Yes yes yes.

When I move you can tell by the way I walk  
Things are going to work out well  
Yes yes yes.
