

# Mattress Warehouse

Foxygen

Captain Eddie is  
Taking over ships in the sea  
But my eyes can't see you

And he says he has  
Great deals on mattresses  
Come and see, oh yeah  
But my eyes can't see you now  
But my eyes can't see you now  
When my eyes saw the light  
But my eyes can't see you now

He wants for me to say  
That there's a sale today  
At the Mattress Warehouse, oh yeah

Does your mother say,  
"Don't let your children play  
At the Mattress Warehouse?"  
Oh no  
But my eyes can't see you now  
But my eyes saw the light  
And my eyes can't see you now
