

# Freewheel Burning

Fozzy

Fast and furious we ride the universe  
To carve a road for us that slices every curve in sight  
We accelerate, no time to hesitate  
This load will detonate whoever would condemn this right  
Born to lead at breakneck speed with high octane, we're spittin  
g flames  
Freewheel burning, freewheel burning  
On we catapult, we're thrusting to the hilt  
Unearthing every fault, go headlong into any dare  
We don't accept defeat, we never will retreat  
We blaze with scorching heat obliterations everywhere  
Born to lead at breakneck speed with high octane, we're spittin  
g flames  
Freewheel burning, freewheel burning  
Look before you leap has never been the way we keep, our road i  
s free  
Charging to the top and never give in never stops the way to be  
Hold on to the lead with all your will and concede, you'll find  
there's life with victory on high  
Look before you leap has never been the way we keep, our road i  
s free  
Charging to the top and never give in never stops the way to be  
Hold on to the lead with all your will and concede, you'll find  
there's life with victory  
With victory on high  
Freewheel burning, freewheel burning  
Freewheel burning, freewheel burning  
Freewheel burning, freewheel burning  
Freewheel burning, freewheel burning
