Martyr No More

I can climb the highest peak I can stop the war I can force the dumb to speak I can lock the door I can locate treasures lost I can see the blind I can buy, no mind the cost I can read your mind

It's so hard to let go of the past Forever on my mind I never dreamed things could change so fast What do I have left?

I won't be your martyr anymore No longer victimized by your scorn Nevermore the passive one in this War Cause' I won't be your martyr anymore

I can walk the needles eye I can pay the price I can live after I die I can roll the dice I can fly where eagles nest I can stand or fall I can pass the hardest test I can beat them all

It's so hard to let go of the past Forever on my mind I never dreamed things could change so fast What do I have left?

I won't be your martyr anymore No longer victimized by your scorn Nevermore the passive one in this War Cause' I won't be your martyr anymore

I can hear the silent scream I can pull the switch I can orchestrate a dream I can burn the witch I can choose not to decide I can ride the sky I can ebb and flow the tide I can wonder why
