

# Over The Mountain

Fozzy

Over the mountain take me across the sky  
Something in my vision, something deep inside  
Where did I wander, where'd ya think I wandered to  
I've seen life's magic, astral plane I travel through  
I heard them tell me that this land of dreams was now  
I told them I had ridden shooting stars and said I'd show them  
how  
Over and over, always tried to get away  
Living in a daydream, only place I had to stay  
Fever of a breakout, burning in me miles wide  
People around me talking to the walls inside  
I heard them tell me that this land of dreams was now  
I told them I had ridden shooting stars and said I'd show them  
how  
Don't need no astrology, it's inside of you and me  
You don't need a ticket to ride with me, I'm free, yeah  
Over and under in between the ups and downs  
My mind's magic carpet ride, it goes round and round  
Over the mountain, kissing silver inlaid clouds  
Watching my body disappear into the crowd  
Don't need no astrology, it's inside of you and me  
You don't need a ticket to ride with me, I'm free, yeah
