

## Stand Up And Shout

Fozzy

It's the same old song  
You've gotta be somewhere at sometime  
But they never let you fly  
It's like broken glass  
You get cut before you see it  
So open up your eyes  
You've got desire, so let it out  
You've got the fire, stand up and shout  
Stand up and shout  
You've got wings of steel  
But they never really move you  
You only seem to crawl  
You've been nailed to the wheel  
But never really turning  
You know you've got to want it all  
You've got desire, so let it out  
You've got the fire, stand up and shout  
Stand up and shout  
You are the strongest chain  
And not just some reflection  
So never hide again  
You are the driver, you own the road  
You are the fire, go on explode  
You've got desire, so let it out  
You've got the power, stand up and shout  
Stand up and shout, stand up and shout  
Stand up and shout, stand up and shout  
Stand up and shout, stand up and shout
