

Under Blackened Skies

Fozzy

All I ever knew
When you left was suddenly taken
My skies no longer blue
And my faith mortally shaken
Pain From my pores meat
With the screams of sharpened cries
Will I have to live my life
Under Blackened Skies

Prick my skin with your pin do me in
But don't forget to say you care... for me
Take your turn make me burn no concern
But don't forget to say you're scare... for me

Tables turn like seasons change
Ups and downs of passing years arrange
Confused from my heart blinding both of my eyes
I realize I live my life
Under Blackened Skies

Crying out for a Savior
but my screams nobody hears
All I need is your shelter
and the strength to concur my fears
I don't think I'm strong enough
to make it through the night
So I have to live my life
Under Blackened Skies

Sing my song do me wrong don't be long
But don't forget to say you don't need me

Feed my pain I'm drowning please don't leave
You think I'm blind but I don't want to see

Tables turn like seasons change
Ups and downs of passing years arrange
Confused from my heart blinding both of my eyes
I realize I live my life
Under Blackened Skies

Lost beyond the horizon
My sun drifting away
Swallowed up by the blackness
No light to help me feel safe
The shadows start to whisper
But they only tell me lies
Now I have to live my life
Under Blackened Skies

Hearts they break and shatter bleed me dry
The pain and fear shows damage from your lies

Tables turn like seasons change
Ups and downs of passing years arrange
Confused from my heart blinding both of my eyes
I realize I live my life

Under Blackened Skies

All I ever knew
When you left was suddenly taken
My skies no longer blue
And my faith mortally shaken
Pain From my pores meat
With the screams of sharpened cries
Will I have to live my life
Under Blackened Skies
