

## Where Eagles Dare

Fozzy

It's snowing outside, the rumbling sound of engines roar in the  
night  
The mission is near the confident men are waiting to drop from  
the sky  
The blizzard goes on, but still they must fly  
No one should go where eagles dare  
Bavarian Alps that lay all around, they seem to stare from below  
The enemy lines a long time passed, are lying deep in the snow  
Into the night they fall through the sky  
No one should fly where eagles dare  
They're closing in, the fortress is near, it's standing high in  
the sky  
The cable car's the only way in, it's real impossible to climb  
They make their way, but maybe too late  
They've got to try to save the day  
The panicking cries, the roaring of guns are echoing all around  
the valley  
The mission complete, they make to escape away from the eagles  
nest  
They dared to go where no one would try  
They chose to fly where eagles dare
