

Everybody Knows

Fragma

Eh eee yeah-ah!

Shay-eee-eee-yeah...

Ho oh oh oh ohhh...

Shay-eee-eee-yeah!

Everybody Knows

That you-ou-ou --

You mean the world to me.

Everybody Knows,

But you...

Everybody Knows

That you-ou-ou

Captured my fantasy.

Everybody Knows.

It's true...

(It's true...

It's true...

It's true...

It's true...

It's true...

It's true...

It's true...)

Now and forever!

Everybody Knows

That you-ou-ou --

You mean the world to me.

Everybody Knows,

But you...

Everybody Knows

That you-ou-ou

Captured my fantasy.

Everybody Knows.

It's true!

Now and forever!

Shay-eee-eee-yeah!

Ho oh oh oh oh oh ohhh...

Shay-eee-eee-yeah!...

Now and forever!

Everybody Knows

That you-ou-ou --

You mean the world to me.

Everybody Knows,

But you!

Everybody Knows

That you-ou-ou

Captured my fantasy.

Everybody Knows.
It's true!

Now and forever!
