

Criminal

Framing Hanley

You, you wear me out
'Cause you're the fix that I can't learn to live without
I love how you string me along
You're the score and I want more each time we go on

Your lips, they poison my veins
And your hips always calling my name
Look at what you did to me
Uh, uh, oh

Damn girl, this is typical, typical
Burned out, feeling critical, critical
You're the drug I can't put down and I can't stop
Girl, you make me a criminal

Damn girl, this is typical, typical
Burned out, feeling critical, critical
You're the drug I can't put down and I can't stop
Girl, you make me a criminal

Na na na na na na
Na na na na
Girl, you make me a criminal

Na na na na na na
Na na na na
Girl, you make me a criminal

The way you drop that dress
And what's underneath
Girl, you've been blessed with all the things that bring the devil out in me
Secrets are exposed (When the lights are out)
Everybody knows (What you're all about)
I just can't say no

Damn girl, this is typical, typical
Burned out, feeling critical, critical
You're the drug I can't put down and I can't stop
Girl, you make me a criminal

Damn girl, this is typical, typical
Burned out, feeling critical, critical
You're the drug I can't put down and I can't stop
Girl, you make me a criminal

Na na na na na na

Na na na na na na
Na na na na
