Framing Hanley

She said he so sweet I wanna lick the wrapper  
And she, she licked me like a lollipop, like a lollipop

Shorty wanna thug  
Bottles in the club  
Shorty wanna hump  
You know I like to touch  
Your lovely lady lumps

Shorty wanna thug  
Bottles in the club  
Shorty wanna hump  
You know I like to touch  
Your lovely lady lumps

Cute little mama had a swag like mine  
She even wear her hair down her back like mine  
I make it feel right when it's wrong like lyin'  
And man she ain't never had a love like mine

Man I ain't never seen an ass like hers  
That \*\*\*\*\* in my mouth had me loss for words  
I told her to back it up like berp berp  
I made that ass jump like jerp jerp

That's when she  
She licked me like a lollipop, like a lollipop!

Shorty wanna thug  
Bottles in the club  
Shorty wanna hump  
You know I like to touch  
Your lovely lady lumps

Shorty wanna thug  
Bottles in the club  
Shorty wanna hump  
You know I like to touch  
Your lovely lady lumps

Won't you get on your knees?  
Won't you get on your knees?

Call me so I can make it juicy for you  
Call me so I can get it juicy for you  
Call me so I can make it juicy for you  
Call me so I can get it juicy

Call me so I can come and do it for you  
Call me so I can come and prove it for you  
Call me so I can make it juicy for you  
Call me so I can get it juicy

Shorty wanna thug  
Bottles in the club  
Shorty wanna hump  
You know I like to touch

Your lovely lady lumps

Won't you get on your knees?
