

If We're Honest

Francesca Battistelli

Truth is harder than a lie
The dark seems safer than the light
And everyone has a heart that loves to hide
I'm a mess and so are you
We've built walls nobody can get through
Yeah, it may be hard, but the best thing we could ever do, ever
do

Bring your brokenness, and I'll bring mine
'Cause love can heal what hurt divides
And mercy's waiting on the other side
If we're honest
If we're honest

Don't pretend to be something that you're not
Living life afraid of getting caught
There is freedom found when we lay
our secrets down at the cross, at the cross

It would change our lives
It would set us free
It's what we need to be

It would change our lives
It would set us free
It's what we need to be
