

# My Paper Heart

Francesca Battistelli

Well, I've been treated like a valentine  
That's been ripped apart and left behind  
I'm a fragile girl in a crazy careless world

My dreams were torn and scattered on the floor  
But You've been picking up the pieces, Lord  
'Cause Your love is real, the only hope to heal

My paper heart is Yours now  
I have landed in Your hands  
Come so far to find out  
My life will never be the same  
Since you wrote Your name  
On my paper heart

I had been so terrified to trust  
So many times I'd been reduced to dust  
But You keep showing me  
You're the safest place to be

My paper heart is Yours now  
I have landed in Your hands  
Come so far to find out  
My life will never be the same  
Since you wrote Your name  
On my paper heart

Never knew that I could feel the way I feel  
Never knew that there could be a love so real  
Never knew that I could feel the way I feel right now  
Oh yeah, yeah

My paper heart is Yours now  
I have landed in Your hands  
I've come so far to find out  
My life will never be the same  
Since you wrote Your name  
On my paper heart

I never knew that I could feel the way I feel right now  
I never knew that I could feel the way I feel  
I never knew that I could feel the way I feel right now
