I lost my keys in the great unknown And call me please 'cause I can't find my phone

This is the stuff that drives me crazy
This is the stuff that's getting to me lately
In the middle of my little mess
I forget how big I'm blessed
This is the stuff that gets under my skin
But I've gotta trust You know exactly what You're doing
Might not be what I would choose
But this the stuff You use

45 in a 35 sirens and fines While I'm running behind Whoa ho ho

This is the stuff that drives me crazy
This is the stuff that's getting to me lately
In the middle of my little mess,
I forget how big I'm blessed
This is the stuff that gets under my skin
But I've gotta trust You know exactly what You're doing
Might not be what I would choose
But this the stuff You use

So break me of impatience Conquer my frustrations I've got a new appreciation It's not the end of the world Whoa ho ho ho

Oooooh This is the stuff that drives me crazy
This is the stuff
Someone save me
In the middle of my little mess
I forget how big I'm blessed
This is the stuff that gets under my skin
But I've gotta trust You know exactly what You're doing
Might not be what I would choose
But this the stuff You use

Whoa whoa ho ho
This is the stuff You use.
