

# Because I Can

Francis Dunnery

I wanna be someone who loves you  
I wanna be someone who cares  
I wanna wrap my arms around you  
Because I can, because I can

I got an angel face, I got a brand new dog  
I got 40 Megs of RAM and a CD ROM  
I got a hired car and a record deal  
I got an old guitar and a pedal steel

I got a lot of things coming to me  
But there?s one more thing to be

I wanna be someone who loves you  
I wanna be someone who cares  
I wanna wrap my arms around you  
Because I can, because I can, baby

I got a credit card, I got my hair cut clean  
I got an ingrown toenail and a fax machine  
I got personality, I got a great big head  
I got [Incomprehensible] under kingsize bed

I got a lot of things coming to me  
But there?s one more thing to be

I wanna be someone who loves you  
I wanna be someone who cares  
I wanna wrap my arms around you  
Because I can, because I can

I wanna be someone who loves you  
(Because I can, because I can)  
I wanna be someone who cares  
(Because I can, because I can)  
I wanna wrap my arms around you  
(Because I can, because I can)  
Because I can, because I can

I wanna be someone who loves you  
(Because I can, because I can)  
I wanna be someone who cares  
(Because I can, because I can)  
I wanna wrap my arms around you  
(Because I can, because I can)  
(Because I can)

Heat me with your fax machine
