

Baby, That's Art

Frank Black

Then we crush the heart
Then the meat we pound
Then we cruise to the sound
Of collecting the honey
Well, maybe I'm seeing
Well baby, that's art
The radio's playing
And I'll laugh
'Cause I said something funny
Well, I gotta see you
Well, baby that's art
Then we crush the heart
Then the meat we pound
Then we cruise to the sound
Of collecting the honey
The radio's playing
And I'm cool
'Cause the day is sunny
Then we crush the heart
Then the meat we pound
Then we cruise to the sound
Of collecting the honey
I'm crushing
I'm crushing
I'm crushing
