

Hang On to Your Ego

Frank Black

I know so many people who think they can do it alone
They oscillate their heads and stay in the city zone
But what can ya tell them
What can ya say that will make them defensive?

Refren:

So, hang on to your ego.
hang on, but I know that your gonna lose the fight
they come home like they're peaceful, but inside their so uptig
ht
they troop through their day and waste all their thoughts at ni
ght

but how can I say it
how can I come home when I know I'm guilty
So, hang on to your ego.
hang on, but I know that your gonna lose the fight

but how can I say it
how can I come home when I know I'm guilty
So, hang on to your ego.
hang on, but I know that your gonna lose the fight

So, hang on to your ego.
