## Jane the Queen of Love

## Frank Black

Once my dear is not enough Let me tell you about Jane she's the queen of love She's the queen of love and she's the bane Of we who know wherever she goes she will reign She will reign (2x)She reigns Jane, she's the queen of love Jane, she makes bumblebee love You are the only one Yeah that's just what you are I've been so blue Sleeping till noon, darling Watching cartoons But I could not ease the pain I hear the phone line And I hope that isn't you Jane, she was my only love Jane, and though our love is done You are the only one Yeah that's just what you are Jane, she's the queen of love Jane, she makes busybee love You are the only one Yeah that's just what you are You are the only one Yeah that's just what you are (2x)
