

## My Favorite Kiss

Frank Black

My favorite kiss  
Just when her mouth is warm  
Yes, that's definitely my favorite one  
Earth be torn  
Let out the fabled twist  
The wanting is there  
But there is nothing left to go on  
In seven days I'll be in Baltimore  
In two more weeks I'll be in  
Dallas/Fort Worth  
In one more minute I'll be gone  
Sky be torn  
Send down the fabled twist  
The wanting is there  
But there is nothing left to go on  
In seven days I'll be in Baltimore  
In two more weeks I'll be in  
Dallas/Fort Worth  
In one more minute I'll be gone (2x)  
In one more minute I'll be gone
