

## Ten Percenter

Frank Black

Aw, that's nice  
I'm just another ten percenter  
My mind is like an ocean  
My mind is like an ocean  
I'm hanging in the harbor  
I'm just drifting, letting out the line  
I'm letting out the drifting line  
I'm trying to be a guy  
Who's hailing from Ann Arbor  
Making jerk  
And it's good  
Getting perk  
Yeah, I would  
I'm a jerk  
If you're getting cotton mouth  
You better have some water  
Sucking syrup and soda  
You're gonna just get hotter  
But if you want to wile awhile  
But if you want to wile awhile  
Oh, suck a syrup and soda  
Oh dance, oh sons and daughters  
Making jerk  
And it's good  
Getting perk  
Yeah, I would  
Making jerk  
And it's good  
Getting perk  
Yeah, I would  
I'm a jerk  
If you got cotton mouth  
My mind is like an ocean  
My mind is like an ocean  
My mind is like an ocean  
I'm a jerk  
Making jerk  
Soda jerk  
And it's good  
Jerk, jerk, jerk, jerk, jerk  
[Incomprehensible]
