

# The Snake

Frank Black

Well, I'm a snake oh yes I'm very smart  
But I was cruel without a humble start  
And I just laughed when you begged and you pleaded  
Now I lay here cut in half 'cause I'm not the one you needed  
So pretty and so timid that's a rabbit's way  
A little pessimistic but that's OK  
A pig or a goat well, they wouldn't let you be mistreated  
So I guess on that note I am not the one you needed  
Oh they call me the snake  
I'm just feeling my way  
Well, I'm a snake oh yes I'm very smart  
But I was cruel without a humble start  
And I just laughed when you begged and you pleaded  
Now I lay here cut in half 'cause I'm not the one you needed  
So pretty and so timid that's a rabbit's way
