

All I Want Is Nothing

Frank Iero

Check, check, check
All I want is you
I think back to the heart attack
When our world seemed so brand new
I wasted time with a crooked spine
When I really should have spent it with you

All I want is nothing
Cause all I want is what I can't have
All I want is nothing
If I can't have just one more second of your undivided attention

All I want is you
All I have now are memories
Of how you felt lying next to me
All we are is a memory
I used to have a best friend,
Now just one more enemy

And all I want is nothing
Cause all I want is what I can't have
All I want is nothing
If I can't have just one more second of a time
When I was yours and you were mine
And all I want is everything we never had before,
I still want more

All I want is you All I want is you, to want me All I want is you
