

# Be My Baby

Frank Iero

The night we met I knew I needed you so  
And if I had the chance I'd never let you go  
So won't you say you love me? I'll make you so proud of me  
We'll make 'em turn their heads every place we go

So won't you, please?  
Be my little baby  
Say you'll be my darlin'  
Be my baby now

I'll make you happy, baby, just wait and see  
For every kiss you give me, I'll give you three  
Oh, since the day I saw you, I have been waiting for you  
You know I will adore you 'til eternity

So won't you, please?  
Be my little baby  
Say you'll be my darlin'  
Be my baby now

So won't you, please?  
Be my little baby  
Say you'll be my darlin'  
Be my baby now  
Whoa oh

So won't you, please?  
Be my, be my baby  
Say you'll be my darlin'  
Be my baby now

I said

Be my, be my baby  
Say you'll be my darlin'  
Be my baby now

Please...
