

A Million Dreams Ago

Frank Sinatra

You told me it was so, a million dreams ago,
You held me in your arms, a million dreams ago.
So many dreams have flown, so many nights alone
I guess I should have known, it couldn't be.
I'll lock my mem'ries here in my heart
And here in my heart they'll stay.
And through the years, they'll always be part
A part of a lovely day
Goodbye, good luck old friend, I'll smile and just pretend
There was no end, a million dreams ago
