

Anytime, Anywhere

Frank Sinatra

You could leave tomorrow, fly to Mandalay, darling I would love
you anyway,
I just couldn't help but care, anytime, anywhere.
You can keep me waiting every single day, I'll be there to meet
you anyway,
You make life a love affair, anytime, anywhere.
Why should I lie and pretend I don't belong to you,
Why even try when it makes no difference what you do, I'll be t
rue.
Take my heart completely, treat me as you may, I am yours forev
er anyway,
All I have is yours to share, anytime, anyplace, anywhere.
