

## Close to You

Frank Sinatra

Close to you - I will always stay  
Close to you - though you're far away

You'll always be near - as though you were here  
By my side  
No matter where - in my dreams, I'll find you there

Close to me - sharing your caress  
Can't you see - you're my happiness

Where ever you go - my heart will go too  
What can I do  
It only wants to be - close to you
