Day by Day

Frank Sinatra

Day by day I'm falling more in love with you And day by day my love seems to grow There isnt any end to my devotion It's deeper dear by far than any ocean

I find that day by day youre making all my dreams come true And (so) come what may I want you to know I'm (that I am) yours alone, and I'm in love (in love) to stay As we go through the years day by day

(I said, day by day)
(As we go through the years day by day)
