

## How Do You Keep the Music Playing?

Frank Sinatra

How do you keep the music playing  
How do you make it last  
How do keep the song from fading  
Too fast

How do you lose yourself to someone  
And never lose your way  
How do you not run out of new things  
To say

And since you know we're always changing  
How can it be the same  
And tell me how year after year  
You're sure your heart will fall apart  
Each time you hear her name

I know the way I feel for you is now or never  
the more I love the more there I'm afraid  
That in yours eyes I may not see forever, forever

If we can be the best of lovers  
yet be the best of friends  
If we can try with every day  
To make it better as it goes  
With any luck than I suppose  
The music never ends
