

## I Can't Get Started

Frank Sinatra

I'm a glum one,  
it's explainable,  
I met someone unattainable  
Life's a bore,  
the world is my oyster no more  
All the papers where I lead the news with my capers,  
now will spread the news  
Superman turns out to be flash-in-the-pan  
I've been around the world in a plane,  
designed the latest IBM brain  
But lately I'm so downhearted,  
'cause I can't get started with you  
In Cincinatti or in Rangoon,  
I simply smile and all the gals swoon  
Their whims I've more than just charted,  
but I can't get started with you  
O tell me why am I no kick to you,  
I who'd always stick to you  
Fly through thin and thick to you,  
tell me why I'm taboo  
Each time I chanced to see Franklin D.,  
he always said, Hi buddy to me  
And with queens I've a la carted,  
but I can't get started with you
