

# I Had the Craziest Dream

Frank Sinatra

I had the craziest dream, last night - yes I did, I never dream  
ed it could be  
Yet there you were - in love with me  
I found (saw) your lips next (close) to mine - so I kissed you  
(them)  
And you didn't mind it at all  
When I'm awake, such a break never happens, how long can a guy  
go on dreaming  
If there's a chance that you care, then please say that you do  
Say it and make my craziest dream come true
