

# I've Got You Under My Skin

Frank Sinatra

I've got you under my skin.  
I've got you deep in the heart of me.  
So deep in my heart that you're really a part of me.  
I've got you under my skin.  
I'd tried so not to give in.  
I said to myself: this affair never will go so well.  
But why should I try to resist when, baby, I know so well  
I've got you under my skin?

I'd sacrifice anything come what might  
For the sake of havin' you near  
In spite of a warnin' voice that comes in the night  
And repeats, repeats in my ear:  
Don't you know, little fool, you never can win?  
Use your mentality, wake up to reality.  
But each time that I do just the thought of you  
Makes me stop before I begin  
'Cause I've got you under my skin.

[Musical interlude]

I would sacrifice anything come what might  
For the sake of havin' you near  
In spite of the warning voice that comes in the night  
And repeats - how it yells in my ear:  
Don't you know, little fool, you never can win?  
Why not use your mentality - step up, wake up to reality?  
But each time I do just the thought of you  
Makes me stop just before I begin  
'Cause I've got you under my skin.  
Yes, I've got you under my skin.
