

## If It's the Last Thing I Do

Frank Sinatra

If it's the last thing I do, I'll make you mine  
Darling the first thing is you, in my design  
Just like the stars guard the moon above me  
That's just how I'll guard our love, so love me  
Please love me

If it's the last thing I do, I'll take your hand  
And though I won't say a word, you'll understand  
I'll build a dream just for two  
And then I'll make it come true  
If it's the very last thing I do

Just like the stars guard the moon above me  
That's just how I'll guard our love, so love me  
Please love me

If it's the last thing I do, I'll take your hand  
And though I won't say a word, you'll understand  
I'll build a dream just for two  
And then I'll make it come true  
If it's the very last thing I do
