

## It's Over, It's Over, It's Over

Frank Sinatra

It's over, it's over, it's over, I won't look back,  
Won't look back, my bridge has been crossed.  
It's over, it's over, it's over, I'll walk away,  
I'll stay away, cause my heart's been lost.  
Losing is not a happy thing when the stakes are high,  
Not when you lose your lover on a simple goodbye.  
It's over, it's over, It's over, I can't look back,  
Won't look back, my heart says it's done.  
It's over, it's over, it's over, but when I see her  
And when I'm near her, I feel like it just began.

Losing is not a happy thing when the stakes are high,  
Not when you lose your lover on a simple goodbye.  
It's over, it's over, it's over, I can't look back,  
Won't look back, my heart says it's done.  
It's over, it's over, it's over, but when I see her  
And when I'm near her, I feel like it just began.
