## **Just Friends**

## **Frank Sinatra**

Just friends, lovers no more Just friends but not like before To think of what we've been And not to kiss again

Seems like pretending
It isn't the ending
Two friends drifting apart
Two friends but one broken heart

We loved, we laughed, we cried Then suddenly love died The story ends and we're just friends

We loved, we laughed and we cried Then suddenly love died The story ends and we're just friends
