## Love Is Just around the Corner

**Frank Sinatra** 

Beautiful miracle, pardon my lyrical rhapsody, But can't you see, you've captured me. Being so glamorous, can't you be amorous just with me? Make it soon, take a look at the moon.

Love is just around the corner, any cozy little corner. Love is just around the corner when I'm around you. I'm a sentimental mourner, and I couldn't be forlorner, When you keep me in a corner just waiting for you. Venus de Milo was noted for her charms, But strictly between us, you're cuter than Venus, And what's more you got arms. So cuddle in a corner, any cozy corner, Love is just around the corner and I'm around you.
