

Love Walked In

Frank Sinatra

Love walked right in, and drove the shadows away
Love walked right in, and brought my sunniest day
One magic moment, and my heart seemed to know - that love said
hello
Though not a word was spoken

One look, and I'd forgot the gloom of the past
One look, and I had found my future at last
One look, and I had found a world completely new
When love walked in with you
